Thank you to all who participated in providing valuable feedback to the team. We then met with management to negotiate on Thursday, March 16, 2024.

During our session with management, we continued discussions on Recognition and Coverage, Seniority, and Job Bidding and Filling.

Also, we reached a Tentative Agreement (TA) on:

- **Union Representation:** Outlines that union representatives, such as stewards, can participate in union activities and have access to the workplace and bulletin boards.
